

HP LaserJet 9050 series printer

9050 • 9050n • 9050dn

Experience high-performance, high-volume 11 by 17 black-and-white printing in a versatile office printer.

Extensive versatility

- **Minimize user intervention and maximize flexibility.** With a 100-sheet multipurpose tray, two 500-sheet input trays, an optional 2,000-sheet input tray, and an extensive selection of output accessories, the HP LaserJet 9050 series printer meets your high-volume needs.
- **Take advantage of advanced finishing options.** With the optional 2,000-sheet 8-bin mailbox, assign each bin to an individual, workgroup, or department, to enable easy job retrieval. The mailbox features a sorter/collator, a stacker, and a job separator for fast, simple document customizations. Employ an optional 3,000-sheet stacker, 3,000-sheet stapler/stacker, or a 1,000-sheet multifunction finisher for booklets to enable efficient document production.
- **Automatically produce professional two-sided documents.** Routinely printing documents on both sides virtually doubles your input capacity and makes paperwork more manageable.¹
- **Expand your connectivity options as your needs grow.** Two open EIO slots provide high-performance solutions. Add the optional 20 GB hard disk or HP Jetdirect wireless Ethernet networking and increase your productivity.
- **Increase your printing options.** Adjustable paper trays allow edge-to-edge printing on custom media up to 12.3 by 18.5 inches and provide a variety of media simultaneously to meet your specialized needs. The 100-sheet multipurpose tray supports custom heavy custom media up to 58 lb (216 g/m²) and all trays support media up to 53 lb (200 g/m²) to offer the utmost in versatility.

Cost-effective

- **Manage your business more efficiently with integrated solutions.** Optional HP and third-party software provide integrated solutions for businesses, including form, check, and barcode printing, to help your business run smoothly.
- **Save valuable time and cut costs.** Optional installation and configuration services, maintenance kits, and extended warranty options make the printer worry-free.

- **Automatically produce professional two-sided documents.** Routinely printing documents on both sides virtually doubles you input capacity and makes paperwork more manageable.
- **Enjoy effortless network management.** Use HP Web Jetadmin for remote installation, configuration, and proactive management of your network peripherals. The HP Embedded Web Server performs remote diagnostics, sends e-mail alerts, provides job tracking and accounting information, to save you time and money.²

Highly reliable

- **Get professional printing at up to 50 pages per minute (ppm) and a fast first page out.** The quick, reliable printer delivers a first page out in less than 8 seconds for most office documents. Industry-leading professional print quality and HP Smart printing technology³ let you print multiple originals with consistently great-looking results.
- **Receive automatic supplies alerts.** Each print cartridge features HP Smart printing technology³ that works with your printer to provide supplies information for simple maintenance and maximum uptime. When you receive an alert that a cartridge is low or out, you can enjoy convenient, online ordering with HP SureSupply.
- **Print office documents with ease.** HP LaserJet 9050n and 9050dn printers yield fast file throughput for all your document production needs with an HP Jetdirect Fast Ethernet embedded print server for easy networking. All printers feature a quick, 533 MHz processor speed and expandable memory up to 512 MB, to gracefully handle your most complex documents.
- **Enable simple and secure printing.** The intuitive 10-key LCD control panel delivers effortless printer interaction. Use the Private Job feature to release confidential documents from the control panel. The Proof and Hold feature lets you review one copy of a multiple-copy print job and then use the control panel to release remaining copies.

HP printing and imaging systems help you create powerful, professional communications easily. HP printers, supplies, accessories, and services are designed to work together and are invented to meet your business needs.

Distributed printing

The HP LaserJet 9050 series printer has the power and versatility to deliver intelligent distributed printing to any organization. Integrated business solutions from HP and key partners provide unsurpassed compatibility in most business environments—even those with multiple hardware and software platforms. Effectively and efficiently route monthly statements, invoices, purchase orders, and large reports and reduce or eliminate costs and distribution time associated with centralized printing. Intelligent print distribution delivers business advantages:

- Faster, more convenient access to information
- Confidentiality
- Local control over documents
- Improved utilization of network printers
- Reduced costs

Speed and performance

Designed to process documents quickly, the HP LaserJet 9050 series printer features technology that lets you take advantage of the powerful print engine. The 533 MHz processor, RIP-once technology, and HP FastRes 1200 printing technology render print jobs efficiently at true 50 ppm engine print speed.

The quick HP Jetdirect Fast Ethernet embedded print server eliminates information flow bottle-necks from the network to your printer. HP Jetdirect-connected printers offer easy remote management: HP Embedded Web Server enables one-to-one network printer management while HP Web Jetadmin helps network administrators manage fleets of peripherals.

Mobile printing solutions

HP is the industry leader for mobile and wireless printing solutions. Enjoy the ultimate in printing flexibility and freedom with HP Jetdirect wireless Ethernet print servers, the HP Bluetooth® wireless printer adapter, and the HP Mobile Print Driver for Windows®, a common driver for basic printing to nearly any HP printer.

Financing, service and support

With HP's flexible acquisition, maintenance and service options, you can integrate the HP LaserJet 9050 series printer into your environment in the way that makes the most sense for your business.

The HP LaserJet 9050 series printer includes a one-year, next business day onsite warranty, backed by award-winning HP Customer Care and HP Instant Support Professional Edition.

HP Managed Office Services for Imaging and Printing can manage your entire printing infrastructure including hardware, supplies, support, services, software, consulting, integration, and project management. HP Pay per use for Imaging and Printing Solutions deliver a scalable standard and custom service options tailored to meet your specific needs: HP provides everything you need for reliable printing, including site assessment and design for optimized print productivity coupled with unsurpassed repair and maintenance support.
