

# High-quality color meets high-power multifunction

Lexmark's toner and color science expertise gives you the power to print eye-catching documents in-house: crisp, professional-looking text, stunning color and high-definition images, page after page. Coupled with industry best practices for network device protection, Lexmark Document Solutions Suite for advanced workflow solutions, and professional paper-handling options, your business can now go way beyond printing, copying, faxing or scanning and maximize productivity with a Lexmark XC940e color laser MFP.

## XC940e

### For midsize to large workgroups.

- Multifunction laser printer with solutions capabilities (touch screen & solutions platform)
- Fast print speeds up to 30 ppm in color and 40 ppm in black
- Large 7-inch color touch screen with adjustable viewing angle
- Ultra-reliable paper feeding supports diverse media, including card stock and labels
- Integrated duplex printing, with optional 3,500-sheet finisher or booklet finisher
